On September 19, 2014, the undersigned officer contacted him by telephone, and directed him to report to the United States Probation Office to provide a urine sample for drug testing. Mr. Taylor indicated the test would be positive, however, he did not indicate for what substance. Mr. Taylor was asked if he would come into the United States Probation Office and sign a drug use admission form, to which he replied "I ain't signing shit, I already signed one." This officer advised Mr. Taylor that if he was not willing to comply with his supervised release instructions he could go to jail, to which he replied "well jail will be the only way I can get clean."
